**ST PETER  
CHRYSOLOGUS  
FEAST DAY 30TH JULY**

St Peter Chrysologus, Bishop and Doctor of the Church born at Imola, Italy in 380. St Peter was baptized, educated and ordained a deacon by Cornelius, Bishop of Imola. In 433, Pope Sixtus III consecrated him bishop of Ravenna. He practiced many corporal and spiritual works of mercy and ruled his flock with utmost diligence and care. He extirpated the last vestiges of paganism and other abuses that had sprouted among his people, cautioning them especially against indecent dancing. "Anyone who wishes to frolic with the devil," he remarked, "cannot rejoice with Christ." He also counseled the heretic Eutyches (who had asked for his support) to avoid causing division but to learn from the other heretics who were crushed when they hurled themselves against the Rock of Peter. He died in Imola, Italy in 450 and in 1729 was made a Doctor of the Church.

**From the Fathers.... We Pray That  
God's Name May Be Hallowed  
Among Us.**

What, therefore, is the meaning of "hallowed be your name"?...  
When it is our settled conviction and belief that he who by nature is God over all is Holy of the Holies, we confess his glory and supreme majesty. We then receive his fear into our mind and lead upright and blameless lives. By this we become holy ourselves, and we may be able to be near unto the holy God...The prayer is, therefore, "May your name be kept holy in us, in our minds and wills." This is the significance of the word *hallowed*. If a person says, "Our Father, hallowed be your name," he is not requesting any addition to be made to God's holiness. He rather asks that he may possess such a mind and faith to feel that his name is honorable and holy. The act is source of life and the cause of every blessing. How must being this influenced by God be worthy of the highest estimation and useful for the salvation of the soul?

*St Cyril of Alexandria (376 - 444)*
